Police Clearance Check / Background Checks

Police Clearance checks in Canada are processed through (RCMP) Royal Canadian Mounted Police, however, you are required to use a 3rd Party Agent (an accredited fingerprint digitising company in Canada) for your application.

We suggest you contact your chosen agent prior to attending your booking as some agents require us to verify multiple forms or require more than 1 set of fingerprints.

Reputable companies such as:

The Fingerprint Room www.thefingerprintroom.com or Worldwide Forensic Services Inc <https://canadianpolicecheck.ca/> will be able to assist you.

Please remember to bring to the appointment: -

- 1- Valid Passport
- 2- Any additional forms from your 3rd party agent that need certifying or additional thumb prints etc
